Roof Deck Strainer

DESCRIPTION :

Roof Deck Strainer

FEATURES & BENEFITS

- 9" square drain strainer for interior or exterior use. Strainer body threads into a standard 4" threaded drain pipe.
- Used in flat roofs and decks designed for promenade or recreational areas.
- Square top blends in with tile and brick patterns and has enough free area for efficient drainage of rainwater.
- Narrow multiple drainage slots prevent debris from entering the drain line.
- Extra wide anchor flange and membrane clamp with tongue in groove design provides for secure grip of membrane and roof flashing materials.
